

## 2. Wrong transaction total

Hello Lora,

We have noticed that the payment of your order # 89976 from 5/26/2019 does not include VAT.  
Invoice number # 873588.

This mistake is quite common among our clients, we apologize for the inconvenience. We are in the process of implementing a better invoice layout which will not cause such errors.

Please, make sure you transfer the amount remaining as soon as possible to enable dispatchment.

Thank you.
